

**OFFICE OF THE DIRECTOR OF NATIONAL INTELLIGENCE
PUBLIC AFFAIRS OFFICE
WASHINGTON, D.C.
20511**

November 2, 2006

Statement by Chad Kolton, Director of Public Affairs

"The Office of the Director of National Intelligence has suspended access to a web site containing captured Saddam era Iraqi documents pending a review to ensure its content is appropriate for public viewing.

"While strict criteria had already been established to govern posted documents, the material currently on the web site, as well as the procedures used to post new documents, will be carefully reviewed before the site becomes available again."
